*The above list of lenders is being provided as an accommodation to Prospective Purchasers of Condominium Units and represent Individual lenders who have expressed an Interest In providing assistance to Prospective Purchasers of Condominium Units. Developer nor any agent of Developer endorses any lender or financial Institution nor makes any representations concerning any monetary or financial advantages from the use of a lender. The use or engagement of any lender is not a condition to the purchase or sale of a Condominium Unit within the Project. Prospective Purchaser is encouraged to seek Independent advice regarding the purchase or financing of their Condominium Unit within the Project. Oral representations cannot be relied upon as correctly stating the representations of Developer and no such statements or representations should be relied upon unless set forth In the Prospectus or applicable Purchase and Sale Agreement or Condominium Documents provided by Developer in connection with the purchase and sale of a Condominium Unit In the Project.
